B. Oath of Office Laura Vasquez

Laura took the Oath of Office. Her first day as mayor will be January 2nd 2018 and first council meeting will be January 9th 2018.

C. Utility Bill 423 Pine St.

There was discussion about what is happening with this meter. The recommendation was to credit the difference and change the old meter.

4. Visitor Comments

We also heard from Irma Martinez; the resident of 524 Washington about her meter reading. She has had a leak in the past and it was agreed that this would be brought up at a future meeting when there was more information and council would also like to confirm that the problem is fixed.

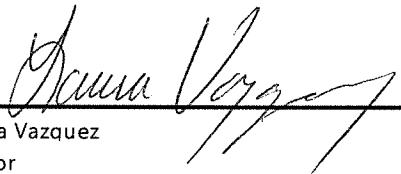

Since there was time left they also discussed the Interim Financing with Ordinance 2017-1111 and the YVCOG Governance Agreement; these were effectively “housekeeping” and not much to discuss.

It was also discussed they would put another light on the back of the portable on the park side.
