A. Discussion with Efrain Godinez Verduzco of 401 W. Washington St. about high water bill.

Mr. Verduzco had a water bill that was very high due to a water line break attached to a trailer on his property. The trailer itself is not in use right now but he would like to rent it out once he finishes the repairs that are needed. The council heard his case and agreed to forgive the extra charges on his water bill this time provided that he cap off the line so that the trailer is no longer connected and that before he begin renting it out he set it up with its own meter.
