

CITY COUNCIL STUDY SESSION MINUTES

Tuesday November 28, 2017

6:00pm

1. Call to Order Time:6:01pm
2. Old Business
3. New Business

A. Oath of Office Diana Castaneda

Council Member Diana Castaneda took her Oath of Office and Filled the Vacant Seat 1 immediately after.

There was extra time at this meeting so we used this time to fill in some of the updates of the regular meeting.

Chief: Explained to the council about his new copy machine and how it will save him money from his current contract.

There was an insurance claim on a damaged headstone. Past practice has been to pay for the first time it was damaged and then it is the responsibility of the owner after that. This was added to the regular meeting.

Chief Haglin also updated the council on the Abatement that happened on Rose St.

Jamin: The dispute with the inside of the water tower is finally over and construction is underway again.

Well #6 is having testing done to figure out what is going on with the sand situation; results to come.

There is a potential opportunity for the city to lease the water rights that we recently acquired for the time that we are not using them. These rights were acquired for future construction that the city does not need at this point in time. This was just discussion and we will look at the details at a later date.

4. Adjournment:

Time:6:25pm

X 

Joshua Roberson
Deputy City Clerk

X 

Mario Martinez
Mayor
