

CITY COUNCIL STUDY MINUTES

Tuesday September 26, 2017

1. Call to Order Time:6:00pm

2. Old Business

A. Carlos Olivarez of Farmworkers Clinic

Mr. Olivarez came in on behalf of Robert and Barbie Gannon to discuss annexation of their land on the other side Boundary/ Mabton-Sunnyside Highway. It was agreed that this item would go to the Planning Commission for consideration.

Since there was time remaining Rob/Jamin of G&O used this time to update us on the General Sewer Plan Review. It was basically stated that this study will look at the sewer system how effective it is and what problems may arise in the future. It is a 20 year plan to try and be proactive on regular problems that arise as the system ages. We also discussed funding and the need for a more accurate Income Survey.

3. Adjournment:
