PUBLIC WORKS DEPARTMENT  
INTERAGENCY AGREEMENT  
FOR  
WASTEWATER LABORATORY TESTING

CITY OF SUNNYSIDE  
AND  
CITY OF MABTON

The City of Sunnyside and City of Mabton hereby enter into this Agreement for the purpose of wastewater laboratory testing for BOD, TSS, Ammonia, and Fecal/Coliform.

The City of Sunnyside Wastewater Laboratory is accredited by the State of Washington to perform wastewater testing described above, and the City of Mabton Wastewater Laboratory is not presently accredited for such testing and yet has the requirements to provide the data derived from such testing as a service to the City of Mabton Pursuant to the following conditions:

1. The tests will be completed twice per week pursuant to Departments of Ecology requirements. Such tests will be completed on the same schedule that the City of Sunnyside performs its own tests. City of Mabton will be responsible for delivering the samples to be tested to the Sunnyside Wastewater Treatment Facility within the timeframe and conditions set by the Sunnyside Lab Technician.
2. The City of Mabton will pay \$240.00 / week for lab services. Beginning on August 7, 2018, the Sunnyside Waste Water Division will commence lab testing. Any additional waste water services above and beyond lab testing will be tracked and charged at the end of each month @ \$40.00/ hr.
3. The City of Sunnyside will perform such tests in the same manner as it tests the wastewater of the City of Sunnyside, but does not assume any liability with regards to the testing that is done for the City of Mabton. The City of Mabton agrees to hold harmless the City of Sunnyside, its official and employees, from any claim or liability arising out of the performance of this Interagency Agreement.
4. This Agreement may be cancelled at any time by either party upon written notice to the Sunnyside City Manager or the Mabton City Clerk/Treasurer.
