### **For Personnel Reasons, Pursuant to RCW 42.30.110(g)**

After the executive session Mark had a few concerns. Firstly he was wondering what was going on with the grading on Maple St. Secondly Mark then inquired about a reserve officer that has been riding with our regular officer in his police uniform. He was concerned because there is currently no reserve program with the absence of a police chief. He wanted to know why the mayor was allowing this. The mayor explained that she was unaware that this had been going on and that it would not have been allowed had it to happen if it had been brought to her attention sooner. She also stated that she would look into it and if this was against the rules she would make sure that it did not happen any longer. The mayor explained that other employees were not qualified and she was within her right to promote whomever she saw fit. This is what she did
