Tuesday June 8, 2021

1. Call to Order Time: 6:00pm
2. New Business
 - A. Discussion of Resolution No. 2021-10 Authorizing Application for the Regional Mobility Grant and Mayoral Signature Authority.

The city is applying for a grant from the Yakima County Development Association. This money is approximately \$40,000 and will be going toward the Park and Ride project if awarded. Arturo asked if there was any money left from when the project was started previous; it was in about 2002. Jamison explained that any money from that far back would most likely not be waiting from a granting agency but she would check to be sure.

- B. Discussion of Addition to the Agenda Authorization for the Mayor to Accept the Corona Local Fiscal Recovery Funds from the Federal American Rescue Plan Act ARPA in the Amount of \$633,108.00

There are several ways that this money can be spent but it is currently kind of unclear. Jamison will be getting training and some better information on where this money is actually allowed to go. Jamison explained that because this is one time money that was not originally budgeted all of the spending it will most likely have to come before council to decide what it is we are actually going to use it for.
