

CITY COUNCIL STUDY SESSION

Tuesday November 23, 2021

1. Call to Order Time: 6:00pm

2. New Business

A. Discussion of Vendor Agreement- Yakima Valley Farmworkers Clinic DBA 'NWCAC

There was discussion of the vendor agreement between the City of Mabton and Yakima Valley Farmworkers Clinic DBA NWCAC. Mayor Vazquez did inform the council that this agreement would be to accept funds to help the citizens of Mabton with their water bills. There were no questions from the council at the time.

B. Discussion of **Ordinance No 2021-1175 AMENDING GARBAGE RATES FOR SERVICES PROVIDED BY YAKIMA WASTE SYSTEMS INC. AND ACCORDINGLY, BY THE CITY OF MABTON**

There was discussion about the Ordinance No.2021-1175, amending garbage rates. Mayor Vazquez explains this is something done every year. Mayor Vazquez explains the increase rates for the year 2022. The increases would be 21 cents for 48 gal, 96gallon cart would increase by 11 cents, 1.5 yard would increase 51 cents, and extra units increased by 11 cents. This is a 3% price increase for all garbage utilities.

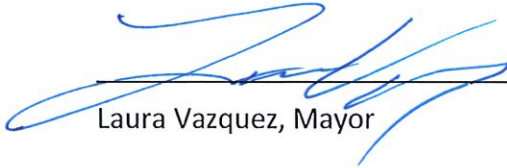

C. Discussion of approval of Final Progress Estimate and contract Voucher Certificate- Washington Street Overlay

There is one project left to be done, which is will be done through WDOT. The curb ramp where Sunnyside Highway & Washington St. connect will be re-done. Everything else is finished.

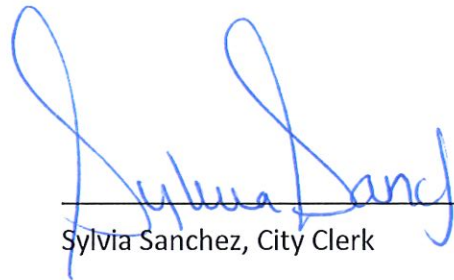

Gino from Collaborative Construction stated that the curb ramp is currently not in ADA Compliance and has made all parties involved aware. TIB 2-year warranty on all projects and will make the necessary repairs as well any that come up for the next 2 years. Final Project estimate for 2nd Progress assessment is \$136,224.11 Total Contract amount to payout for everything comes out to \$247,799.37
