A. Discussion of the Six Year Transportation Improvement Program 2023-2028.
There was some discussion on the Six Year Transportation Improvement plan 2023-2028. Mike with Grey and Osborne explained that the plan had 15 separate projects. The main street project is showing to be in construction phase by 2023. Mike listed all of the projects. There was a question from council as to when the projects would start. Mike explained that due to high inflation, projects that would start this late in the year would come with quite an increased cost as well.
