

## COUNCIL STUDY SESSION MINUTES

Tuesday June 27<sup>th</sup>, 2023

1. Call to Order Time: 6:00pm
2. Old Business:
  - A. Discussion of City Ordinance- 12.04.010- Paving driveways to city streets- Mayor Rachel, stated Code Enforcer has been having issues with pavement up to the city street. There are about 15 houses with this issue. Council needs to decide if they will leave the existing pavement there and pass an ordinance stating that they no longer than add pavement to the city street. Chief Ed Garcia suggested issuing permits and have home owners submit plans so we know if they are going to do it correctly.
3. New Business:
  - A. Discussion of council review of WCIA Full Board Delegate Job Description- Mayor and council members will table this topic.
  - B. Discussion of Sale of consumer fireworks- Nicolas Campbell- Rachel, Mayor stated Nicolas has all permits for sale of consumer fireworks.
  - C. Discussion of Change Order- Park & Ride Improvements- Jamin from G&O discussed the update on this project. He stated that in order to make the project work this is the charge order that formally takes that out. He also stated that an estimate needs an approval by council.
  - D. Discussion of Progress Estimate 1- Park & Ride Improvements- Jamin from G&O stated there is progress estimate that needs to be approved by council.
