

Mabton Business Plan

Vision The City of Mabton will work in partnership with our residents, businesses, schools, community groups and government agencies to promote opportunity and enterprise that help businesses and families thrive and grow.

Mission The City of Mabton will implement The Mabton Business Plan by providing services that:

- Promote civic engagement leading to a vibrant family oriented community
- Build a viable community by supporting economic development
- Create safe and healthy neighborhood environments
- Maintain and upgrade utility facilities and infrastructure
- Operate a sustainable, transparent and accountable government
- Meet service demands through a commitment to high quality work production and measurable results

Values that guide daily operations

Professional, Friendly, Respectful, Honest,
Trustworthy, Team Oriented and Safe

2012 – 2017 Priority Goals
